

Use this handy checklist to help navigate your cellular shade purchase in 7 easy steps!

1. Choose the type of fabric:

Light Filtering - Diffuses the light coming through your window

Available with Prints, Stain Away and Flame Retardant options

Black Out - Blocks 99% of light

2. Choose the fabric structure:

½" Single Cell - More economical, less initial investment

¾" Double Cell - More insulating, saves more energy

3. Order Free Color Samples!

4. Which lift options best suit your application?

Standard - Ideal for smaller shades and people on a tight budget

Top Down/Bottom Up - Privacy while allowing light to come in through the top of the window

Continuous Cord Loop - For larger shades, broken cord loops can be replaced in your home.

Cordless - Child and pet safe option*

Cordless Top Down/Bottom Up - Privacy while allowing light to come in through the top of the window, Child and pet safe option*

Motorized - Control your window shades with a remote!

Installation is easy with a battery pack or transformer.

Skylight Shades - Requires ordering a skylight shade system, not compatible with above lift options.

5. Do you need **Inside Mount** or **Outside Mount** shades?

Inside Mount shades require ¾" inch for a shallow mount and 2" for flush mount.

Outside Mount shades can be mounted on the window frame or on the wall above the window.

5a. If inside mount - determine whether you want energy saving side tracks

Sidetracks - Requires minimum mounting depth of 1 ½". Available with double cell window shades only.

No Sidetracks

6. **Measure your windows or skylights** - Use the measuring guide to record your measurements. Purchase the optional Measuring Insurance for added buyer confidence!

7. **Order your shades!** *Order securely over the web, e-mail, fax or call in your order.***

Don't forget a pole for your manual skylights or cordless shades that are high up!

*Cordless shades are not available in combination with double cell black out fabric or with side tracks. We suggest Single Cell Black Out fabric instead.

**E-mail or phone orders require confirmation over e-mail to verify quote accuracy.
